Congress Venue

The IMS2017 is held at the Centre Pierre Baudis, in Toulouse. The congress centre is located in the city centre at the subway station Compans-Caffarelli of the Metro line B. Toulouse can be easily reached by car (Motorways A61, A62, A64, A68), train (Toulouse Matabiau station) and airplane (Airport Toulouse Blagnac).

Centre des congrès Pierre Baudis, 11 esplanade Compans Caffarelli, 31680 Toulouse, France
Tél: +33(0)5.62.25.45.45, <http://www.centre-congres-toulouse.fr/>

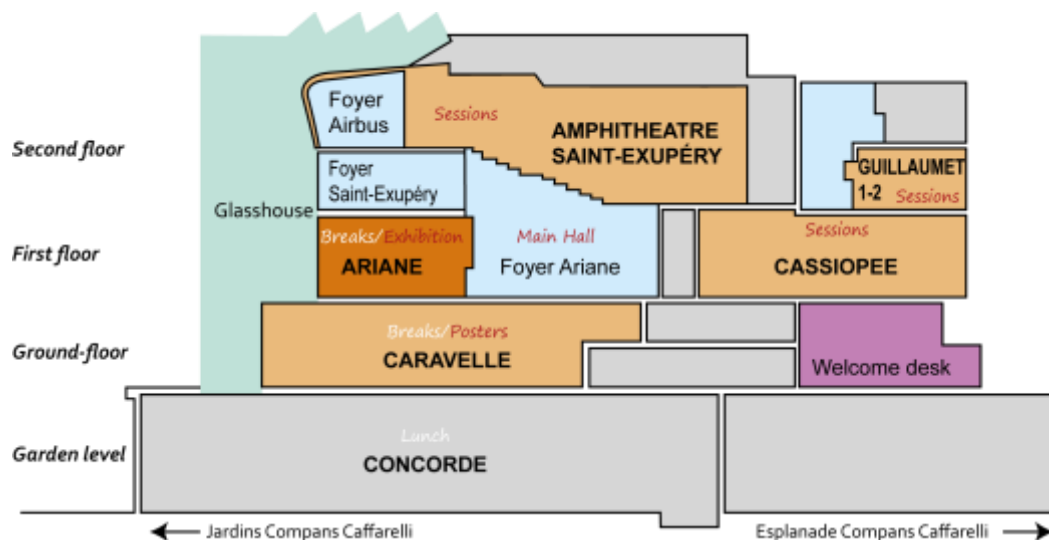

Close up on the area adjacent to the Centre Pierre Baudis

The Centre Pierre Baudis is situated behind the Mercure Hotel when standing on the Lacrosses Boulevard. Its entrance is to the East and is reached via the Esplanade (just follow the signs or the right line on the figure).

The easiest access to the congress centre is by foot and public transport. The Metro station Campans-Cafarelli (Line B) is just in front as well as bus lines L1, 31, 45, 63 and the Navette to the Airport (see Tisseo.fr for more information). Parking for vehicles in this area of Toulouse is very limited. There is a public parking below the Hotel Mercure operated by Q Parking and you might find few spots in the adjacent streets. In both cases you will be charged >2€ per hour.

Official Language

The official language of the IMS2017 is English. Simultaneous translation is not provided. Authors should be present their work in fluent English. Only the “Forum des métiers” and “Forum des enseignants” will be held in French.

Rules of conduct

- Please include some extra time for entering the congress centre because a security check will take place
- A congress badge is mandatory for access to the congress centre and meeting; please proceed directly to Welcome Desk upon arrival on the first day
- Smoking is prohibited in the entire congress center.
- Telephones should be switched off in the lecture rooms.
- **COPY OR PHOTOS OF ANY SCIENTIFIC MATERIAL (ORAL AND POSTER PRESENTATIONS) IS STRICTLY PROHIBITED. Non respect of this rule results in exclusion from the congress.**
- We expect respectful conduct and proper dressing of all delegates.

Check-in and Welcome Desk

The Welcome Desk in the Centre Pierre Baudis is open on Monday, 9th from 16:00 to 18:00, and Tuesday, Wednesday and Thursday from 8:00 to 19:00. Please be aware that onsite payment is not possible.

WIFI

Free unsecured wireless internet access is available throughout the congress centre. ID and passwords are provided at the registration.

Exhibition

Exhibition is located in the ARIANE room (first floor) and opened from 8:30 to 18:00 from Tuesday to Thursday.

Guidelines for Presentations

Oral presentations

Each presentation is limited to 12 minutes plus 2 minutes for questions, 1 minute is reserved for setting up the following presentation. Please prepare your oral presentation in a Power Point (ppt, pptx) or pdf format named “**Lastname_firstname.ppt(x)/pdf**”. The presentation will be displayed on screen by video projector. Each session room will be equipped with a computer with MS PowerPoint, VLC, and Adobe Acrobat Reader (.ppt, .pptx or .pdf format files + video files .avi), a digital projector, a laser pointer, and microphones. You will not be allowed to use your own computer.

Authors are requested to upload their presentations directly in the lecture room within the half-hour before the beginning of the oral block. Assistance will be available for help.

Posters presentations

Poster display time is 08:00 to 19:00 daily in CARAVELLE. Authors are responsible of setup of their poster in the morning. Assistance will be available for help and fixing material. The author is expected to be available for presentation next to their poster during poster sessions. Authors are responsible dismantling their poster in the evening before 19:30.

The posters will be mounted on a single vertical panels A0 size in portrait layout: 118cm height and 84cm width.

Conveners of sessions

Conveners of session are requested to be present during the oral and poster sessions, to introduce and ensure that the authors respect the timing of 12 min for presentation and to moderate the 2 min questions. They are also asked to enforce the NO PICTURE policy if necessary.

Poster Awards

In recognition of the importance of Poster contributions to meetings, the IAS and ASF are pleased to announce the 2017 *Outstanding Student Poster Awards* and *Outstanding Early Career Scientists Poster Awards*. They will be awarded during the Closing ceremony on Thursday. Detailed information about eligibility and procedure are posted [here](#).

Invited speakers

Every day, a keynote lecture (40+15 min) will be given in a plenary session after the lunch break in the AMPHITHEATRE SAINT EXUPÉRY (13:30-14:30).

Tuesday	Ronald J Steel (University of Texas, Austin) <i>Characterization of shelf - margin sedimentary prisms</i>
Wednesday	Rachel Wood (University of Edinburgh) <i>What has controlled carbonate mineralogy through geological time?</i>
Thursday	Paul Wignall (University of Leeds) <i>The Permo-Triassic mass extinction and its aftermath: to hell and back</i>

Field trips

In total 6 field trips are organized. Registered participants should have been in contact with the field trip leaders for more detailed information.

Pre-meeting Field trips

FT1 The Eocene marine sedimentation in the Southern Pyrenean Basin: a basin-slope-platform transect, Oct. 7-9, 2017. *Leaders. Roi Da Silva-Casal (University of Zaragoza, ESP), Aitor Payros (University of the Basque Country, ESP), Naroa Martínez-Bracera (University of the Basque Country, ESP) and Marcos Aurell (University of Zaragoza, ESP)*
